

RAY 7

transmitted through Aries, Cancer and Capricorn
transfigured through Mars, Moon, Saturn, Mercury, Neptune

Ray Seven. This is the energy of Ceremonial Order.

It is an expression of the will which drives through into outer manifestation; it is that which embodies both the periphery and the point at the centre. It is the will to “ritualistic synthesis,” if I might so word it. It is Necessity which is the prime conditioning factor of the divine nature—the necessity to express itself; the necessity to manifest in an orderly rhythmic manner; the necessity to embrace “that which is above and that which is below” and, through the medium of this activity, to produce beauty, order, perfect wholes and right relationships. It is the driving energy which Being emanates as It appears and takes form and lives. It is the Will towards Expression. Today, as regards humanity, its highest expression is organisation.
