

The Cycle of Conferences

Visualisation on: *The G20 Summit, Seoul*

Today, in the planning now going forward in connection with the various international conferences and councils of which you all know, the spiritual effort (for the first time in human history) is to bring all of them, as functioning groups, under the direct impact of the energy which motivates and actuates that place where the Will of God is known and the purposes of divinity are defined and projected. This means that each of the coming world conferences (and there will necessarily be many) will have a greater and far more extensive effect than would otherwise be the case. (The Externalisation of the Hierarchy pg 447)

1. Link up with the souls of all fellow servers who are meditating on *The G20 Summit*.
2. Visualise a tide of lighted energy pouring down from the “Centre where the Will of God” is known, and pouring into the centre Humanity. Imagine the whole group sounding the affirmation of the Will together:

*"In the centre of the will of God I stand.
Naught shall deflect my will from His.
I implement that will by love.
I turn towards the field of service.
I, the Triangle divine, work out that will
Within the square and serve my fellowmen."*

3. Through the mind's eye, project a lighted seed of 'will energy' into the heart of the thoughtform under construction on Money as a medium for loving distribution. See myriad streams of 'living will energy' connected to it by co-workers around the world.
4. Reflect for a few minutes on the significance of the current world economic and financial crisis. Visualise money as a great stream of flowing golden substance, passing out of the control of the Forces of Materialism into the control of the Forces of Light. See the essence of any ideas and reflections adding to the potency of the group thoughtform.
5. Visualise the pulsating nucleus of light at the heart of the thoughtform being fanned into a flame by the group gaze and see its radiation touching the consciousness of all participants at the G20 Summit.
6. Quietly sound the Great Invocation, imaginatively hearing it being chanted by the worldwide group. As you do so, visualise the outpouring of Light and Love and Power through the five planetary inlets (London/Darjeeling/New York/Geneva/Tokyo), irradiating and enlightening the proceedings of the summit.
